## YOUR HOSTS

### Michigan Ceramic Art Association Board of Directors

Jim Adair, President	Jeri Hollister, Scholarship
Mary Fritz, Secretary	Sarah Maki, Communications
Peter Fritz, Treasurer	William Blackman, At Large
Steve Glazer, Programs	Diana Pancioli, At Large
Patty Goodell, Membership	Tim Van Beke, At Large

**Albion College**

Albion College Site Coordinators:  
Lynne Chytilo and Ken Shenstone

Established in 1958 in southeastern Michigan as the Michigan Potters' Association and in 2003 renamed Michigan Ceramic Art Association. We have grown to a statewide organization of over 300 members. Our membership includes studio artists, art educators, galleries, art organizations, potters guilds, students, and collectors.

## GENERAL INFORMATION

### Food and Beverages

Coffee and a light breakfast will be available in the Science Center Hallway by vendor tables through the morning. Lunch will be served in the Science Center Atrium starting at noon.

### CLAY @ THE MOTH

Share your experience with ceramics at our "Clay @ The Moth" storytelling series during lunch. From stories about how you started with clay to the unique experiences because of ceramics - bring your best story and help expand our ceramics community.

### Student Exhibition

Student Cup Show is open to any student in a high school or academic institution and their submissions are on display in the Science Center. This show is juried with prizes.

### Cell Phones

Please be considerate of all presenters and attendees and silence your phones.

### Presenter Exhibition and Sale

Albion has proudly displayed this exhibition since Oct 1 in the Bobbitt Gallery. Be sure to stop by throughout the day, sale begins at 4:30pm.

### Vendor Booths

Please visit our many vendor booths in the Science Center, including Rovin Ceramics, Jackson Pottery & Clay Guild, Schaller Gallery and various colleges and universities.

## CAMPUS MAP

## JOIN US FOR THE **AFTERGLOW!**

Your Michigan Mud conference experience won't be complete without visiting Ken Shenstone's beautifully crafted studio and VERY large Anagama kiln. Built mostly out of recycled materials on 6 acres, the studio complex was designed as a community art center with multiple kilns and workspaces. You are invited to feast on gourmet tacos, mingle and network in this unique setting while participating in festivities, including a burning sculpture!

Tickets must be purchased in advance. If you did not purchase a ticket with registration, tickets are being sold at the MCAA booth. Your ticket includes entrance fee and your meal.

### **Directions to Afterglow:**

From Campus, take Hannah Street South until it ends  
Turn Left on Albion Road/Haven Road to flashing yellow light  
Albion Anagama on NE corner of Haven Rd and 29 1/2 Mile  
Event Parking at First Baptist Church
